Shalom!

We are writing to you about a unique Holocaust remembrance program.

30 years ago, survivor groups conceived of a way to insure remembrance through a simple home ceremony. A special memorial Yahrzeit candle was developed and is now known as the Shoah Yellow Candle™. Jews, Christians and members of other faiths now use these Candles.

It is our mission to place a Yellow Candle in every Jewish home, to reach out to others and expand this program until 6,000,000 candles are burning on the same night. Our theme is "Light a Candle, Preserve a Memory".

As Rabbi Abraham Joshua Heschel said, "To us, recollection is a holy act; we sanctify the present by remembering the past. To us Jews, the essence of faith is memory. To believe is to remember."

More information can be found at the www.yellowcandles.org website or at www.facebook.com/YellowCandles. If you have any questions, please feel free to send an email to info@yellowcandles.org.

We invite you to join with thousands of other people, in remembering the victims of the Shoah.

Zachor! Remember! G'dank! Thanks!
