Men's Club Prayer

Our God and God of our Fathers (*kElohenu velokai Avoteinu*), on this special Men's Club Shabbat, we request a blessing for all those who endeavor on your behalf.

***Bless* this Men's Club, have them grow and prosper so they can better serve your people.**

***Bless* the women and children of our synagogue.**

***Bless* our teachers and help us to find strength.**

In this effort to help Jews everywhere, we are mindful of the words in *The Ethics of the Fathers*:

“Be like the Disciples of Aaron – Love peace and pursue it. Love your fellow creatures and bring them closer to the Torah.”

We ask for your strength in our endeavors in the battle for Jewish continuity.

***Help us* find inspiration in your great Torah.**

***Help us* find the spirit to strengthen our commitment and those of our brethren to your ways.**

***Help us* live more diligently in your behalf.**

Blessed are you who gave us the Sabbath.

Blessed are you who gave us the Torah.
