Documentary film on anti-Semitism and Discussion

Beth El member Adam Dimanshteyn produced this professional documentary as a personal project after hearing stories of the anti-Semitism his parents experienced first-hand growing up in the former Soviet Union as well as the ignorance and indifference demonstrated at his high school towards Jewish students. Driven by the lack of awareness by his fellow classmates, he decided to take a stand and educate his friends. We invite you to join us for a full breakfast buffet to meet Adam and hear his story.
