Subject: Packing Yellow Candles

Hello all:

I want to thank you all for volunteering to help with the Yom HaShoah Yellow Candle program. We are trying to be very careful in these times, and are not having the usual packing event in a large group at the Temple. Instead, as we did last year, volunteers will be picking up their candles and packing materials from my house (address below), beginning at 3:00 PM this Sunday, and taking them home to pack the boxes and then return them to me. If you live "over the mountain", and let me know in advance, we can arrange for you to pick up your materials from David Diamond in Avon, beginning Sunday evening.

We have more volunteers than we anticipated, so, on average, we will be giving each volunteer only about 24 candles and boxes for packing. We will provide detailed instructions and all of the materials that you need for the project. We are asking all volunteers to return the completed boxes to me (or to David in Avon) not later than the end of the day on Wednesday, March 3rd, so we can get them in the mail by the end of the week.

If any of you have concerns about picking up the materials, doing the packing and returning the completed boxes by Wednesday, that is not a problem, but please let me know by the end of the day on Saturday, so we can reassign your candles. As I said, we have more than enough volunteers. Be in touch if you have any questions.

I look forward to seeing most of you, and thanks again. Stay safe and Shabbat Shalom.

Tom
